

Lunchtime Nursery Support Workers

We are looking for a number of motivated and enthusiastic support workers to join our team during lunchtimes with our 2 and 3 year old children.

We believe meal times should be an opportunity to

- Share food in a relaxed, happy and social experience
- Deepen conversations and talk about links to home and family
- Experience different foods, wonder about the foods together and try new things

Can you help us provide this for our nursery children?

We are looking for support workers who:

- Can positively engage children and build fun, professional relationships.
- Sensitively support children to develop independence and self-care skills
- Will enjoy supporting children to play together in our fabulous new garden space in all weathers.
- Can use their initiative to set up, organise and clean up the dining space whilst following all health and safety regulations.
- Can work with the team to ensure all children's safety in our busy nursery environment
- Enjoy responsibility and challenge

In return we can offer:

- A committed and highly experienced team with pedagogical leadership at the heart
- Continuing training and professional development and full induction
- A supportive and inclusive environment with a focus on individual's emotional well-being
