

PARENT and CARERS OPEN MORNINGS

Learning together

Dear Parents and Carers

We would like to invite you to some open mornings to come and join us in sharing ideas about how children learn best.

You are the expert about your child and we would love to learn more about how you help your child learn and how we can best support this learning.

We have planned a series of Open Mornings which will focus on different areas of learning from the Early Years Foundation Stage. (EYFS)

We would love it if you could come and stay for five minutes or all morning!

The sessions and dates are listed below.

Please come!

Wednesday 24 October & Friday 26 October 9am
