

Group Times

Supporting the brilliance of
group times in nursery school

This is a short booklet about **GROUP TIMES**; why they happen, when they happen and how you can support your child to get the most out of this part of their nursery day.

When is Group Time?

- Group Time teaching starts at 8.45 (and 12.30pm for children arriving on Wednesday afternoons) and lasts for ten minutes. Children are then invited to make their plans for Explore Time.
- We know mornings are busy but if you are not able to arrive by 8.45 we will ask you to wait until 9.00 (12.45 on Wednesday afternoon) before we open the classroom doors. This enables Group Time teaching to be uninterrupted.

Thank you for your understanding.
